## UNAC/UHCP STATE SECRETARY

### ENDORSEMENTS

#### **GERARD CORROS, RN, BSBA - KOCPA IRVINE MEDICAL CENTER HOSPITAL PRESIDENT (Orange County)**

My name is Gerard Anthony Corros, Hospital President for the Kaiser Irvine campus. I aspire to vote for a candidate that has demonstrated the skills to problem solve, is trustworthy, is accountable to our Union, understands the value of effective communication, and finds the courage to speak up and advocate for the interests of our members. The passion for service opens more opportunities to excel.

Because of these qualities, I proudly endorse Elizabeth Hawkins to be the UNAC/UHCP Secretary in this election. I am fully confident that she will be effective and will perform brilliantly in this position! Vote for Elizabeth Hawkins for UNAC/UHCP Secretary.

#### **WENDY CHANG, RN – KBPRNA CLINIC PRESIDENT/ (Baldwin Park)**

I have known Liz Hawkins since 2015 when I first became a KBPRNA officer. Liz was my staff rep. She is a great mentor and guided the team to improve the voice of the union, brought the then-team to equal basis with management, and bargained numerous things for the benefits of KBPRNA's membership. It was a great loss to KBPRNA when Liz became UNAC/UHCP's Secretary; we knew that our loss is the state office's gain. Her change in role has not changed her commitment to the Union, nor has it change her love to help to grow the Officers.

I had reached out to Liz many times during the last 2-3 years when I was faced with the challenges and the frustrations the pandemic had brought to me. Her response was always positive, encouraging, and to the point. Liz, like all of us, have been through some very challenging times - especially in the last couple years. She wields her commitment and love for our Union to power through the obstacle's life throws at her, stayed focus on top of her duties as our secretary, and was instrumental in our bargaining.

Liz has been a registered nurse for 30+ years. During those years, she has been in various roles in her nursing career with Kaiser Permanente and UNAC/UHCP. She understands the ins-and-outs of both organizations, and most importantly, she cares about us. With Liz, what you see is what you get. She is smart, hardworking, has integrity, and is honest. Our union is faced with unprecedented challenges currently and will face even more tough times in the future years as the healthcare system continues to evolve. Liz is a great asset that we cannot afford to lose. Please vote to re-elect Liz Hawkins for UNAC/UHCP's Secretary.

#### **SEMANU MAWUGBE, RN – Board of Director, former KPRNA Officer and active Steward (Pan City)**

Liz Hawkins is a compassionate, knowledgeable, and kind UNAC/UHCP Secretary who constantly goes above and beyond to get the job, any job, done right the first time. She mentored and trained me patiently with most of what I know as a member of the Board of Directors. She is the member of the team you can call on at 3 AM and she will pick up the phone and resolve your issues. If Liz does not have the answer to your problem, she always knows someone who does and will guide you in the right direction. When you are overwhelmed because you are new to something, Liz is the go-to person because of her patience and empathy. Liz brings kindness and joy to what she does as union secretary, and I aspire to be as efficient as her. She is very conversant with the ins-and-outs of our union contract and constitution, does not cut corners, and will not compromise on her values. She delivers all the time! Vote Liz Hawkins for UNAC/UHCP State Secretary at our up-and-coming 2022 convention!!
